

# The Ripple Effect

a retreat for families supporting children with diverse needs

evening welcome reception

**November 11, 2016**

family retreat

**November 12 & 13, 2016**

Terrace Longhouse | North West Community College | 5331 McConnell Ave.

#### Do you...

- Want your child to have a productive and healthy life in your community?
- Want to learn about why supports and services are the way they are and how you can make them better?
- Want to learn practical steps to help you advocate for your child?

Join facilitators from Inclusion BC and families from across BC in this **FREE**, thought-provoking and educational retreat. Learn the history of the community living movement, the concepts of community development, individual advocacy, systems change, and gain valuable information to help ensure a good life for the person you love and support. Together we will create an atmosphere of fun, celebration, and inspiration.
