To Parents/Guardians and Students;

Yowitz - Greetings

It is an honor and privilege to introduce myself as Kitimat City High's First Nation's Support Worker. I joined the Kitimat City High's School team last year in late September.

Kitimat has been home for me as I grew up, worked and raised my two now adult children here. I am a proud grandmother of three grandchildren. Two of my grandchildren attend school here in Kitimat.

I have always had a passion to work with children and youth. I worked with children and families in the anti-violence sector as well as the Community LINK worker at MEMSS. and I am extremely passionate about all the connections and culture that I have experienced walking along side my students/caregivers and elders.

As a First Nation's Support Worker I will continue to provide the following:

Build connections with all students, Cultural Education, communicate with parents and caregivers, provide one on one support as well as group support where needed, check in with all students and families to ensure their cultural needs in there place of learning is being met, and support students with academics by assisting them in there learning and successes

I would like to invite any parents / caregivers / elders that would be interested in any cultural teachings into our school to share their knowledge. You are a fountain of wisdom. I can be contacted at KCH daily Monday-Friday, 9:00 am – 3:30 pm.

Also when your child is unwell or unable to attend school, please email or text to landline Cheryl at [Cheryl.skender@cmsd.bc.ca](mailto:Cheryl.skender@cmsd.bc.ca) or call the school at 250-632-2811 and leave a message at any time. KCH is ensuring the safety of all students and staff with regards to following guidelines and protocols due to COVID 19.

In closing, I look forward to another successful school year at this amazing school. I am eager and excited to working with and support any students and their families in anyway that I can.

Please feel free to contact me Debbie Dilg at 250-632-2811, extension 6401 or

Sincerely,

Debbie Dilg [debbie.dilg@cmsd.bc.ca](mailto:debbie.dilg@cmsd.bc.ca)
