## PRINCIPAL'S MESSAGE

Wow! We can hardly believe it is already mid-November. The school year is going well.

The staff, students and visitors are following COVID protocols and everyone is excited to be back to a routine.

**Kathy Bell** - Mathematics, Photo and Art Teacher

**Rachael DeSousa** – English, Robotics, and Active Living Teacher

**Debbie Dilg** – First Nations Youth Support Worker and Noon Hour Supervisor

**Spencer Edwards** – Science, Math, and Outdoor Education Teacher

**Patricia Lange** – Social Studies, Textiles, and Career Teacher

**Cheryl Skender** – Office Administrative Secretary

**Nancy Tormene** – Principal/Counsellor

**Stacy Rolica** moved to MEMSS at the beginning of October to take on a new position as Youth Support Worker. **Jasmine Medeiros** will be our new Meal Prep/Youth Support Worker in January as she is healing her broken ankle at home. **Micheline Hall** has been doing a fabulous job with our students and gourmet meals are being made and served daily with the help of her Foods students.

**Analisa Simpson** (Youth Support Worker) is off on medical leave until the beginning of January with an ankle injury. (Yes, ankle injury. I am hoping a theme does not develop). **Alanna Unrau** has been filling in for Analisa. Alanna is a very welcome addition with her Social Studies expertise and her wonderful connection with our students.

## REPORT CARDS

Report cards will be out on Thursday, November 19<sup>th</sup> and Friday, November 20<sup>th</sup>. Just a reminder that early dismissal for the students is on Wednesday, November 25<sup>th</sup> and Thursday, November 26<sup>th</sup>. The students will be dismissed at 2 p.m. Busses will be running shortly after dismissal. If you would like to set up an appointment with your child's teacher, please call the office at 250-632-2811. COVID protocol will be in effect. If you do not have a mask, one will be provided to you at the sign in desk at the front door.

## OUTDOOR EDUCATION

Our Outdoor Education students are busy building planter boxes, and assembling our garden shed and greenhouse. They also wrapped the bee hives in bubble foil to keep them warm and made sugar blocks so they can feed and survive over the winter and come back out in the Spring. Right now they are snug and warm. The students have also gone out to the river and collected cottonwood branches. Once they were dry, Spencer showed them how to make a cottonwood balm made from the cottonwood, oil and beeswax.

## ROBOTICS

Robotics has started at KCH. Students are learning to construct and program different robots to serve a decided purpose. So far these lovely students have learned to build, use sensors and program all independently. Thank you to Zone 1 Robotics and Rio Tinto for making this possible. We are looking forward to seeing this program grow and expand at KCH.
