**Mar. 11** – Early Dismissal 2:00 Parent/Teacher Interviews

**Mar. 13 to Mar. 28** – Spring Break

**Mar. 29** – Aspect Safety

## PRINCIPAL'S MESSAGE

Happy February and March,

I hope this newsletter finds our families safe. Welcome to the new families that joined our KCH family in January and February. We are proud of all our students and grateful to all for allowing us to share in their personal growth and education.

Spring Break is just around the corner. The schools will be closed from March 15 to March 26. I am hoping the snow starts melting away so we can start seeing our bees come out of hibernation, we can plant our gardens and just enjoy some Vitamin D.

Great things are happening at KCH in the following months.

Nancy Tormene

Principal

## TEXTILES

Here's a couple of patchwork pillows, the first project for two of our students. Thanks to generous donations of fabric and notions from the community and a wonderful donation from Save-On of 2 new sewing machines, students at KCH can learn how to sew.

Students find the hands on course relaxing and complete projects such as teddy bears, recycled T-shirt designs, boxer shorts, dresses and quilts. Pattern reading is a skill that can be used in other areas in the future too.

## OUTDOOR EDUCATION

Students in Outdoor Education get to take advantage of the beautiful scenery around our community. Hiking is always a favorite activity regardless of the weather! Pictured below is Moore Creek Falls.

### ASPECT KICKSTART

Aspect Kickstart (A fully subsidized, Workplace Readiness Program) will be on site at Kitimat City High from Monday March 29 to April 8, 2021. This course will run from 8:00am to 5:00pm.

- The students who have registered must attend all days. Aspect Kickstart is funded through the government and provides instruction and certification in the following areas:
  - First Aid (OFA 1), Lockout/Tag Out, Rigging and Hoisting, Boomlift, Telehandler, WHMIS, Ground Disturbance, Fall Protection and Confined Space.
- This program provides each student that is committed \$200 gift certificate for Mark's Work Warehouse for steel toed boots.

### SHAMES FEBRUARY 2021

Once again some our students and staff enjoyed a beautiful day on Shames Mountain. They were lucky to have great weather, and lots of fresh powder snow.

*HAVE A SAFE AND RELAXING SPRING BREAK!!*
